There have been high-priced players who have failed to show the least worth and fans are pleased to see at the manager, stung in the deal, when they see it happen. Marty O'Toole, who went from St. Paul to the Pirates at a price reported to be \$22,500, is the most illustrious lemon of all time. But among the boys bought at high prices and who have shown real value are such as Ray Schalk, Frank Gehring, Fritz Maisel and Hap Felch.

### PHOENIX GUN CLUB HOLDS SHOOT TODAY

The Phoenix Gun Club will hold a big practice shoot at their traps in the state fair grounds this morning at ten o'clock sharp. All shooters interested in this sport are welcome and should be on hand to get in trim for the big tournament to be held for three days during fair week. Over five hundred dollars, added money, will make this shoot one of the largest ever held in Arizona.

### HEAVY CARD IN GRAND CIRCUIT AT SYRACUSE

[Republican A. P. Leased Wire]  
SYRACUSE, N. Y., Sept. 16.—Two grand circuit races, the 2:10 pace and the 2:14 trot, left over from yesterday, and nine amateur races with wagons were run off today at the state fair. In all 27 heats were raced, which is the most ever held in one day. Brisac, the favorite in the 2:14 trot, and Major Woodworth, the best liked in the 2:10 pace, won. Captain David Shaw, the 70-year-old horseman, won two matinee races.

### PLAN FARM LOAN ASSOCIATION HERE

Plans for the organization of a farm loan association were made at a conference of ranchers at the Water Users' building yesterday afternoon. The organization, now tentatively effected, will seek a means of availing itself of the provisions of the federal farm aid system, whereby low rate money may be secured on agricultural lands. Dr. J. C. Norton was made temporary chairman and E. G. Scott, secretary.

The temporary directors, who will meet in two weeks to plan the organization, are Dan McDermott, E. G. Brown, Dr. Norton, J. M. Etter and E. E. Jack. There were twenty-five at the meeting.

### EATS FOR BLOODED CANINES DONATED

M. Joe Murphy, secretary of the Arizona Kennel Club, is just in receipt of information to the effect that the Austin Dog Breed and Animal Food company, of Chelsea, Mass., through their Phoenix representative, J. W. Abbott, will donate sufficient food to feed no less than 300 dogs at the coming kennel show to be held in connection with the state fair on the fair grounds, November 14 to 17. This is one of the largest contributions offered. The same company will in all probability furnish Secretary Murphy of the kennel show with judges' books. The above donation has closed the last gap in the kennel department and set all in readiness for one of the largest and best dog shows ever held in this state.

Secretary Murphy has received word from several members of the San Antonio Kennel Club that they intend sending over entries with a professional handler. Letters of a like sort have been received from California, Colorado and New Mexico, while the entry from this state will far exceed any of the past years.

Arrangements have been made by the secretary of the Kennel Club for the prize ribbons which will bear the seal of the American Kennel Club and data from the Arizona Kennel Club and Mr. Murphy promises that the ribbons will be of excellent quality and very artistic, of various colors, as described in the prize list sent out by the Arizona Kennel Club.

In all probability Mr. Murphy will have his imported dogs here in time for the fair and they will be placed on exhibition in the place of the imported Champion Tommy. Arrangements to this effect have been made by Mr. Murphy with a kennel in England dealing in English bulldogs.

Price lists are being mailed, and as the supply is limited, it is suggested that those desiring them write the secretary.

### Hundreds of Miles Added to the Life of the Tire by the Squeegee Tread

Observe the three continuous ribs encircling the tread of a Diamond Tire.

They give you a smooth tread ride (no bumpy projections) and minimize the danger of side slips. Note the many cross bars and side lugs. They give traction and prevent forward slide.

Then consider that this tire is made of a newly discovered compound so tough that the Squeegee bars rarely wear down during the life of the tire.

That gives you more non-skid security. Let us show you Diamonds that have traveled many thousands of miles above their guarantee. Then you'll wonder at their low Fair List price—the lowest of almost any of the standard makes.

## The New Jordan is Here--In Phoenix

The widely-discussed line of Jordan Sixes and Jordan custom style bodies is now ready for inspection, demonstration and delivery

These new motor car creations will be represented in Phoenix by

**BABBITT-POLSON COMPANY**  
313 N. Central Ave.

The new Jordan luxury car is a Six. And a finer Six has never been produced. It has power, flexibility and all around efficiency equal to any automobile ever placed in the American market. But it's more than that.

What we want to particularly call your attention to is the line of custom made style bodies.

In this respect the Jordan differs from all other cars.

All body designs are original creations.

Not a line or style is conventional or ordinary.

Jordan bodies are unusually long and low. Touring cars have the fashionable double cowl and tilted wind-shield. The upholstery is real leather—French pleated. The seat cushions have Marshall springs and are very, very deep and soft.

The touring car is finished in bright mahogany maroon or deep, soft Venetian green. Either color is fashionable this season, so take your choice. No extra cost.

The rear of the front seat is mahogany paneled. Over the floor of the Jordan is no ordinary mat but in its place a pleasing, harmonious and beautiful rug.

The dash is made of beautiful rich mahogany.

In short, here is a gem of a high grade motor car; one that equals the finest European models at a price well within reach and reason.

There are Jordan luxury touring cars; Jordan race roadsters; Jordan sport models; Jordan four passenger designs—Springfield types of stylish Jordan Sedans, Coupes and Limousines.

Not a commonplace model in the entire line. Each a new attractive unconventional design that will appeal to those who have a sense of rare beauty, grace and style.

Cars will be delivered in the order in which orders are placed. We invite you to look over the new smart Jordan designs for smart American folks. Come and see them.
